**NOTICE OF SETTLEMENT  
CONFERENCE AND SETTLEMENT  
CONFERENCE ORDER**

DENOVA HOMES, INC.,

Plaintiff,

v.

CERTAIN UNDERWRITERS AT LLOYD'S,  
LONDON, *et al.*,

Defendants.

TO ALL PARTIES AND COUNSEL OF RECORD:

The above matter was referred to Magistrate Judge Edward M. Chen for settlement purposes.

You are hereby notified that a settlement conference is scheduled for **March 29, 2007, at 9:30 a.m.**, Courtroom C, 15th Floor, Federal Building, 450 Golden Gate Avenue, San Francisco, California 94102. Any questions regarding scheduling of the settlement conference should be directed to Judge Chen's secretary, Leni Doyle, at (415) 522-4050.

1           ♦       **Settlement Conference statements shall be lodged with Judge Chen's chambers**  
2                   **by March 15, 2007. If this case is designated as an electronic filing ("e-filing")**  
3                   **case, statements must be lodged by hard copy only and should not be**  
4                   **electronically filed.**

5           It is the responsibility of counsel to ensure that whatever discovery is needed for all sides to  
6           evaluate the case for settlement purposes is completed by the date of the settlement conference.  
7           Counsel shall cooperate in providing discovery informally and expeditiously.

8           **Lead trial counsel** shall appear at the settlement conference **with the parties**. Any party  
9           who is not a natural person shall be represented by the person or persons not directly involved in the  
10          events which gave rise to the litigation but with **full authority** to negotiate a settlement. A person  
11          who needs to call another person not present before agreeing to any settlement does not have **full**  
12          **authority. Full authority means authority to accept the last demand or counter-offer by the**  
13          **other party.** If a party is a governmental entity, its governing body shall designate one of its  
14          members or a senior executive to appear at the settlement conference with authority to participate in  
15          the settlement conference and, if a tentative settlement agreement is reached, to recommend the  
16          agreement to the governmental entity for its approval. **An insured party shall appear with a**  
17          **representative of the carrier with full authority to negotiate up to the limits of coverage.** The  
18          Court shall be notified immediately if the carrier declines to attend. **Personal attendance of a**  
19          **party representative** will rarely be excused by the Court, and then only upon separate written  
20          application demonstrating substantial hardship served on opposing counsel and lodged as early as  
21          the basis for the hardship is known but no later than the settlement conference statement.

22          Each party shall prepare a settlement conference statement, which must be lodged (not faxed)  
23          with the Magistrate Judge's chambers and served upon opposing counsel no later than fourteen (14)  
24          calendar days prior to the conference. The settlement conference statement shall be submitted on 3-  
25          hole punched paper. The settlement conference statement should **not** be filed with the Clerk of the  
26          Court. In order to encourage candid discussion of the case with the Court, any party may submit a  
27          confidential supplemental settlement letter to the Court not to exceed three (3) pages. The contents  
28          of this supplemental confidential settlement letter will not be disclosed to the other parties.

1 The settlement conference statement shall not exceed ten (10) pages of text and twenty (20)  
2 pages of exhibits and shall include the following:

- 3 1. A brief statement of the facts of the case.
- 4 2. A brief statement of the claims and defenses including, but not limited to, statutory or  
5 other grounds upon which the claims are founded, and a **candid** evaluation of the parties' likelihood  
6 of prevailing on the claims and defenses. The more candid the parties are, the more productive the  
7 conference will be. As noted above, a supplemental confidential settlement letter containing such a  
8 candid evaluation may be submitted.
- 9 3. A list of the key facts in dispute and a brief statement of the **specific** evidence  
10 relevant to a determination of those facts.
- 11 4. A summary of the proceedings to date and any pending motions.
- 12 5. An estimate of the out of pocket expenses, attorney's fees and time to be expended for  
13 further discovery, pretrial and trial.
- 14 6. The relief sought, including an itemization of damages. If plaintiff seeks attorney's  
15 fees and costs, plaintiff's counsel shall be prepared at the conference to provide sufficient  
16 information to enable the fee claim to be evaluated for purposes of settlement.
- 17 7. The party's position on settlement, including present demands and offers and a history  
18 of past settlement discussions. The Court's time can best be used to assist the parties in completing  
19 their negotiations, not in starting them. Accordingly, plaintiff must serve a demand in writing no  
20 later than fourteen (14) days before the conference, and defendant must respond in writing no later  
21 than eight (8) days before the conference. The parties are urged to carefully evaluate their case  
22 before taking a settlement position since extreme positions hinder the settlement process.

23 Settlement conference statements **may** be submitted on CD-ROM with hypertext links to  
24 exhibits. Otherwise, the portion of exhibits on which the party relies shall be highlighted.

25 It is not unusual for the conference to last three (3) or more hours. Parties should be  
26 prepared to devote the entire day to the conference if necessary. Parties are encouraged to  
27 participate and frankly discuss their case. Statements they make during the conference will not be  
28

admissible at trial in the event the case does not settle. The parties should be prepared to discuss such issues as:

1. Their settlement objectives.
2. Any impediments to settlement they perceive.
3. Whether they have enough information to discuss settlement. If not, what additional information is needed.
4. The possibility of a creative resolution of the dispute.

Because the settlement conference will likely involve some assessment of claims, defenses and relief in the case, the parties should have available at the conference documents, exhibits, and other items essential to that assessment not already attached as exhibits to the settlement conference statement.

Any request to continue the settlement conference shall state the reason therefor and be submitted in writing as soon as possible after consultation with the opposing party but well in advance of the scheduled conference date. Submission is acceptable at facsimile number (415) 522-4200.

The parties shall notify chambers immediately at (415) 522-4050 if this case settles prior to the date set for settlement conference. Counsel shall provide a copy of this order to each party who will participate in the conference.

IT IS SO ORDERED.

Dated: September 13, 2006

  
EDWARD M. CHEN  
United States Magistrate Judge
